HOW TO ORDER

If you complete a paper registration form, a paper order form will be sent home with your child, when our ordering opens.

If you register online, you can complete your menu orders online. You will be notified via email when online ordering opens.

ONLINE MENU ORDERING

Online orders can be made on our website at www.schoollunch.ca.

Each month our online ordering opens for the following month service. For example, for October's lunches, ordering takes place a week in September. Online orders are payable by Visa or Mastercard.

A username and password is required to access the online ordering system. You would have been asked to set one up, if you completed your registration online. If you submitted a paper registration form, you will need to call our office at 754-5323 to have a username and password set up.

PAPER MENU ORDERING

Each month we send out a paper menu and envelope to schools for the following month service. Paper menus and envelopes are distributed to students who are registered for paper ordering.

Parents choose lunches they would like, then return the completed envelopes to their school. Envelopes can also be dropped off at our main office.

WHAT IS SCHOOL LUNCH?

The School Lunch Association is a registered charity whose mission is to operate a non-stigmatizing program that provides a hot, nutritious lunch for primary and elementary school children, regardless of the families' financial situation.

ALL ORDERS ARE CONFIDENTIAL

We ask \$3.75 per meal, but each family decides the amount they can contribute toward the cost of the meal.

The actual amount contributed by each family is confidential.

UPDATES

Parents are sent regular emails informing them of our menu releases and menu selection deadlines.

HOW TO REGISTER

To take part, parents must first register their children. Registration takes place each year and will be available starting in August. Parents can register their children at www.schoollunch.ca. Payments can be made by Visa or Mastercard online. Alternatively, parents can print and complete the registration form (located on our website), then submit the form, as well as your payment at your school, or at the School Lunch office.

REGISTRATION COST PER CHILD

The registration cost each year is \$10 for one child, \$15 for two children, or \$20 for three or more children.

We strongly encourage parents to register online instead of by paper, as it greatly reduces our staff workload.
